

MEMORANDUM

TO: Mayor and City Council

FROM: Mike Sauerwein, City Manager

SUBJECT: Friday Update

DATE: September 13, 2024

Weekend Road Closures and Delays

On **Saturday September 14th** Sierra Santa Fe will be applying sealant, called Liquid Road to the roads listed below. Please expect and plan for more substantial road closures and delays as the sealant dries. A minimum of a 2 to 4 hour delay is expected. The dry time is weather dependent and with warmer the weather, the sealant dries more quickly.

- **Thornton Ave** between Row River Rd and Mosby Creek
- **South River Rd** between Harrison and HWY 99
- **R St** between Harrison and the High School

City staff will be on site to assist. There will be no on-street parking during working hours of 7:00 am to 7:00 pm or until sealant is deemed dry and safe to drive on. Please plan to park on side roads.

The Public Works Department and Sierra Santa Fe will work to finish the remaining streets as weather permits. We have extended the no parking signs through 7:00 pm, Monday, September 16th for these areas.

The remaining areas to apply the sealant will be:

- **E. Whiteaker Ave** between Gateway Blvd and Mosby Creek Rd
- **Gateway Blvd** between Main Street and Taylor Ave
- **16th Street** between Main St and Ostrander Ln
- **R St** between Main and Harrison

We apologize for any inconvenience this may cause and appreciate your patience. If there are any questions or concerns, please call the City of Cottage Grove Public Works Department at 541-942-5501 X 4
