### **2nd Round - Annual Leaf Pick Up**

City Staff will begin the 2nd week of leaf pick up Monday morning, November 18, 2024. Please go to [Leaf Pickup Program](#) to get additional information and guidelines on where to place your leaves. Brochures are also available at City Hall.

It is important to place your leaves in the designated City streets and approved parking areas no later than Sunday evening, November 17, 2024. This will ensure that you are not overlooked as Staff makes rounds. Placing leaves out later will not guarantee they will be picked up and you may have to wait until the final round of pick-ups, the week of December 2nd.

If property owners do not have street or parking sites that are approved for pick up or you are not able to get your leaves out before Sunday evening, you may take your leaves to the drop site at the Row River Water Treatment Plant, located at 3300 Row River Road. Please take advantage of this program, as it helps keep our storm drainage system clean and operating properly.

Please direct questions to the Public Works Maintenance Shop, at (541) 767- 4100.
