

## MEMORANDUM

TO: Mayor and City Council  
FROM: Mike Sauerwein, City Manager  
SUBJECT: Friday Update  
DATE: February 28, 2025

### **EDA Main Street Revitalization Project**

#### **Week of March 3<sup>rd</sup>- 7<sup>th</sup>**

The east bound lane (South side) of Main Street (Historic District) **is closed** and the traffic will remain west bound for the duration of the project. Two-way stop signs will be in place on the cross streets (5th, 6th, 7th, and 8th). Westbound traffic on Main Street will not stop. Wildish continues to pothole to locate existing underground utilities. The valves and fittings will be assembled in preparation for the new water main installation . Wildish staff will also be assessing the building fronts and foundations on the south side in preparation of future excavation.

#### **Week of March 10<sup>th</sup>- 19<sup>th</sup>**

The new 12 inch waterline will be installed.

## Cleveland Street Infrastructure Project

Delta Construction laid the rock for the material storage and is finishing up an alternate access road through to Kathleen Drive. Trees have been removed from the future road right of way. Cleveland Street and the intersection of Cleveland & 6th St in Cottage Grove will be under construction through the end of June 2025 for a full reconstruction of the road. 6th Street will remain open throughout the duration of the project. Cleveland Street will remain open to local traffic only. Work is scheduled on Cleveland St between 7:00 am and 5:00 pm, Monday through Friday.

### ***Quote of the Week:***

*"It was one of those March days when the sun shines hot and the wind blows cold, when it is summer in the light and winter in the shade."*

*~ Charles Dickens*
