EDA Main Street Revitalization Project

Week of March 10th- 19th

Wildish crews will be digging to install the new 12-inch waterline from the Coast Fork Main Street Bridge to 8th Street.

The trees on Main Street in the downtown historic district have been removed. There is a plan to replace trees in the Main Street Revitalization Project plan.

If you are interested in seeing the plan for the Main Street Revitalization Project there is a schematic drawing hanging in the lobby of City Hall (400 E. Main Street). If you have any questions about the project, please call Shauna Neigh, Project Coordinator at 541-787-4153.

Cleveland Street Infrastructure Project

Delta Construction finished the temporary access road to Kathleen loop and the storage area off Cleveland. During the week of March 17th, Delta crews will start to lay the 10” water line from 6th Street to the west on Cleveland Street.

Cleveland Street and the intersection of Cleveland & 6th St in Cottage Grove will be under construction through the end of June 2025 for a full reconstruction of the road.

6th Street will remain open throughout the duration of the project. Cleveland Street will remain open to local traffic only. Work is scheduled on Cleveland St between 7:00 am and 5:00 pm Monday through Friday.

Sanitary Sewer Pipe bursting Project

H & J Construction is in the final phase of the sanitary sewer line replacement project.

On Wednesday (03/19), 12th and 13th Street will be closed between Jefferson Avenue and Madison Avenue to finish the line replacement.

On Thursday (03/20), 10th Street will be closed after 9 am between Adams Avenue and Jefferson Avenue and re open by 3 pm to finish the line replacement and manhole repair.

Douglas Street Effluent Line

City crews removed asphalt and installed 300' of effluent line down Douglas Street. This project will extend the effluent line to Trailhead Park and then on to Bohemia Park for landscaping irrigation. Once the line has been placed, the City of Cottage Grove will contract out the replacement of asphalt along North Douglas Street.
