

City of Cottage Grove
Job Description
PUBLIC WORKS AND DEVELOPMENT DIRECTOR

Department: Public Works & Development	FLSA: Exempt
Reports to: City Manager	Representation: Non-Rep
Pay Range: 35	Date Adopted: February 21, 2017

Essential competencies of this job are described under the headings below. They may be subject to change at any time. The omission of specific statements of duties does not exclude them from the position if the work is similar, related, or a logical assignment to the position. The job description does not constitute an employment agreement between the employer and employee and may be changed by the employer at any time.

GENERAL POSITION SUMMARY:

Administers plans and directs the operations of the Public Works & Development Department; does related work as required.

DUTIES AND RESPONSIBILITIES:

Tasks listed are intended to be descriptive and not restrictive. An employee in this classification may perform any of the tasks listed; however, these examples do not include all the tasks which an employee may be expected to perform.

An employee in this classification is responsible for the overall operations of the Public Works & Development Department which includes but is not limited to the operations of Water, Wastewater, Stormwater, Streets, Engineering, Facility and Equipment Maintenance, Park Maintenance, Land Use Planning, Code Enforcement, Economic Development and contracted Building Inspection Services. Work is performed under the general direction of the City Manager who reviews work primarily on the basis of effectiveness and results obtained. Direct supervision is provided to Division Managers and office staff.

ESSENTIAL FUNCTIONS:

1. Evaluates, develops and implements programs, policies and procedures to assure the effective and efficient operation of the Public Works & Development Department in compliance with directives from City Manager and federal, state and local laws.
2. Prepares departmental annual budgets; reviews and monitors expenditures to remain within established budgetary constraints.
3. Plans and establishes departmental short-term and long-range goals and objectives and reviews progress.
4. Establishes and directs the employee training and safety programs.
5. Ensures compliance with and follows all safety regulations and procedures for department personnel and functions.
6. Maintains open communication with the City Manager regarding public works and development issues.

7. Confers with City Manager to develop programs or activities to address infrastructure construction and maintenance, utility operation, land use, development and code enforcement needs in the community.
8. Supervises subordinate employees including assigning and reviewing work, evaluating performance, training, taking necessary disciplinary action and making hiring and termination decisions.
9. Prepares and/or reviews reports and maintains records necessary to public works or development activities.
10. Oversees the recruitment, hiring and delivery of work by third party consultants.
11. Obtains and administers grants.
12. Prepares written reports of findings and recommendations; communicates related information orally and in writing.
13. Represents the department to various committees, commissions, community groups, City Council and the public.
14. Responds to complaints, concerns and issues.
15. Demonstrates continuous effort to improve operations, decrease turnaround times, streamline work processes and work cooperatively and jointly to provide quality customer service.
16. Administers and coordinates staff support to a wide variety of advisory commissions and groups such as: Urban Forestry Commission, City Planning Commission, Historic Landmark Commission, Cottage Grove Community Foundation, South Lane Wheels Board and the Lane Preparedness Coalition.
17. Coordinates the administration and supervision of the Main Street Program with the Economic and Business Development District and Community Development Corporation.
18. Functions as the designated Emergency Program Manager for the City and is the liaison with other emergency management programs at the county, state and federal level. Coordinates with the Chief of Police, Chief of South Lane Fire & Rescue District and the Lane County Emergency Manager in the delivery of the emergency management program. Ensures compliance with federal standards so the City is eligible for disaster funds should a disaster occur.
19. Participates as a member of the City's management team in the consideration of general City policies, risk management, programs and problems.
20. Meets with community groups, clubs and civic organizations.
21. Represents the City, Public Works, Development and Emergency Management in media reports.

IMPORTANT FUNCTIONS:

1. Serves as Enterprise Zone Administrator.

ESSENTIAL PHYSICAL REQUIREMENTS:

The physical demands or requirements described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

In the performance of job duties , the employee is required to sit, stand, communicate, discern alarms or notices, stoop, kneel and crouch. Attend meeting for prolonged periods of time. Manual dexterity and coordination are required while operating equipment such as computers, cell phones, handheld devices, radios, multi-line phones, calculators and standard office equipment.

More than 75% of the work occurs in usual office working condition where the noise level is typical of most office environments. The remaining 25% of work can be expected at public meetings or onsite meetings, job sites or other areas with uneven terrain, machinery, construction equipment and higher noise levels generally associated with machinery and equipment.

JOB SPECIFICATIONS:

Education and experience requirements are minimum standards. Other equivalent combinations of education, training and experience may be considered.

Education & Experience:

1. A minimum of eight years of increasingly responsible experience managing or supervising operations, programs, budgets and services preferably in municipal or public sector environment is required.
